EXPERIENCE

CASINO DEVELOPMENT INTERN

Dr. Doug Walker Gaming Consultant / Charleston, SC / Fall 2015-Summer 2016

- Employed various statistical programming packages to compile and analyze economic data at the local, state and national level to ascertain the economic effects of casinos.
- Responsible for helping preform market analysis to measure the fiscal feasibility of private and Indian casinos, for cataloguing the political probability and history of gaming ventures, for preparing reports that anticipate arguments against proposals and for summarizing economic scholarly literature on gaming for other disciplines.

BACHELOR'S THESIS

Honors College at College of Charleston/ Charleston, SC / Summer 2016-Present

- Utilized STATA to run a multiple regression analysis from data that I had myself compiled and cleaned in Excel in order to analyze the role of social trust on constitutional verbosity at the subnational level in the United States.

CO-FOUNDER OF AUBAL L.L.C.

Interdisciplinary Center for Applied Technology / Charleston, SC / 2016

- Raised \$4000.00 in startup capital to fund our team's startup venture. Wrote a business canvas using the Lean business startup method for a prospective application to better teach languages by integrating authentic materials into the language learning process.
- Responsible for conducting interviews, deploying a social media strategy, building the company's website, managing the startup's financial and legal situation, delivering pitches to investors, creating the application's wireframe and working with developers in a Scrum framework.

DEPUTY CHAIRMAN

Honor Board at College of Charleston / Charleston, SC / 2013-Present

- Chaired numerous cases of alleged violations of the Code of Conduct and Honor Code of The College of Charleston.
- Responsible for chairing hearings, handling casework, new member training and recruitment.

UNITED STATES SENATE INTERN

U.S. Senator Jeanne Shaheen / Manchester, NH / Summer 2014

- Collaborated with all staff members in the Senator's main state office, with an emphasis on those dealing with constituent services and was responsible for being the first point of contact for constituents and drafting letters to constituents.

LEGAL RESEARCH INTERN

Drew Law P.L.L.C. / Bedford, NH / Summer 2014

- Researched both the legal and non-legal matters of the firm's pro-bono cases that dealt with seekers of asylum in the United States.
-
